

ARCHANGEL OMEGA

Support for the Past

Archangel OMEGA has been available again since December 2005. He has the task of helping people process the past. Archangel OMEGA assists in bringing clarity, trust, faith, joy, love, knowledge, and more to the unprocessed past. With this, people are able to let go of old imprints and patterns.

The power and support of Archangel OMEGA is enormous.

Prerequisites for the acceptance of the Consecrations: none

After completion of the consecration a certificate will be handed over.
