

## THE TEACHING OF THE ZODIAC SIGNS

This Teaching is about the twelve astrological signs of the Zodiac. The AUNDA-healer receives the capability to build up energetically a particular zodiac sign in rooms. To be able to feel one's own Zodiac Sign causes well-being and strengthens the whole body. The human is energetically charged and is able to find her inner quietness.

Usually the star sign is built up in rooms, where one relaxes for a longer time. Two star signs can be built up in one space. The Zodiac sign stays in the room so long as it was determined by the AUNDA-healer.

As a result the frequencies of the zodiac signs become consciously perceptible for human beings, so everyone has the possibility to grow spiritually without limits.
